**ORDER RE PLAINTIFFS' COUNSEL'S
BILLING RECORDS AND BRIEFS IN
OPPOSITION TO MOTIONS FOR
APPOINTMENT AS LEAD
PLAINTIFFS' COUNSEL**

18 The Court hereby ORDERS Plaintiffs' counsel and their staff, consultants, and experts to
19 maintain contemporaneous billing records of all time spent litigating this case. By
20 "contemporaneous," the Court means that an individual's time spent on a particular activity should
21 be recorded no later than seven days after that activity occurred. When appointing lead Plaintiffs'
22 counsel, the Court will designate one lead counsel to review all billing records each month to
23 ensure compliance with this Order and to strike any duplicative or inefficient billing.

24 In addition, the Court's order regarding the preliminary case management conference (ECF
25 No. 16) should not be taken as an invitation for firms to file oppositions to motions for
26 appointment as lead Plaintiffs' counsel. The Court hopes not to receive any such oppositions. In
27

1 the unlikely event any such oppositions are filed, however, the Court wanted to provide the parties
2 with a briefing schedule.

3 **IT IS SO ORDERED.**
